The press box is on the west side of the stadium. The entrance gate leading to the field is 9ft wide.
2. It is a short distance from the equipment parking lot to the stadium. Each band will be responsible for transporting props and equipment to the stadium. NCC will not have equipment trailers and will not transport equipment to, from, on, or off the field.

5. Order of performance within each class is determined by application postmark. Earliest postmark performs last in class.
6. All bands must perform in uniform. All band representatives must be in uniform to accept awards.
7. The NCC uses adjudication forms for Olympic style judging, with the high and low scores dropped and the remaining three averaged to determine overall band score. Auxiliary scores do not enter into the calculation of overall band awards.

Scoring

70 – 84.9 Excellent  
55 – 69.9 Good

9. No director, parent, or student from any participating band will be allowed in the press box.

**Weather plan**

The NCC is a rain or shine event. Weather permitting, we will hold the competition outside. If the weather does not cooperate the contest will be held inside. All captions, guard, percussion, drum majors, and band will be judged. Warmups will be in the NHS Aux Gym and the main gym will hold performances. Indoor performances will be limited to a regulation size basketball court. In order to manage time and space, bands will not use props.
